

Empowering the mobile workforce

MobileDemand is a technology leader in rugged tablets, committed to bringing more functionality and capabilities to the mobile workforce. Specializing in the design of integrated productivity tools for barcode scanning, point-of-sale, magnetic stripe reading, PIN pad entry, 3D measurement, and mounting hardware for myriad on-the-go applications, the company is driving the future of mobile productivity.

Agriculture | Construction | Education | Energy - Oil, Gas, Mining | Field Services | Food/Beverage Distribution | Healthcare

RUGGED DIVERSITY

Through our diverse offering of Windows® and Android™ based tablets, from budget friendly to the ultra-rugged, high performance workhorse, MobileDemand provides reliable, mobile solutions to serve a wide range of businesses needs.

CONVENIENCE

Several convenient features come standard with every tablet, including an easy carry briefcase handle and back hand strap along with MobileDemand's versatile snap rail. Sealed ports add another level of protection from the elements.

MOUNTING CAPABILITIES

MobileDemand's patented Quick Release Snap Mount System is a key feature that sets us apart from the competition. Every tablet includes the unique snap rail so mounting to desks, walls, vehicles, forklifts, tripods and much more is simply a snap!

PRODUCTIVITY TOOLS

Integrated productivity tools allow users to scan barcodes, receive payments via mobile POS module, read credit cards or gather personal information with a magstripe reader, take 3D imagery and more.
